- [Learn more](#): On the Cyberwise website.
- [Learn more](#): About the Cyber Civics curriculum.
- "[Raising Humans in a Digital World](#)" book, plus discussion guide.
- [Learning Hubs](#) on various tech topics.
- [Sign up for the Cyberwise Newsletter](#), sent every 2 weeks.
- [Parents Guide to What Kids Watch Podcast](#)
- [Cyberwise Chats--Free Webinars](#)
- "[Why Teens Still Love YouTube](#)"
- [Roblox Parent Center](#)
- [Minecraft Parent Center](#)
- [Prescription Video Game](#)

WE'VE TAKEN THE GUESSWORK OUT OF WHEN AND HOW TO INTRODUCE DIGITAL MEDIA TO YOUR KIDS WITH OUR DIGITAL ON-RAMPS.

WOOHOO

Ages 0-2

- Videoconference with loved ones while parent provides explanation.

Ages 3-6

- Co-view educational content, with parent explaining.
- Write emails to friends and family.
- Send texts and photos together to relatives and friends.

Ages 7-9

- Play child-friendly video games together.
- Find and use creative apps together.
- Keep online notes, recipes, homework reminders, and more.
- If you go on a trip, keep a digital journal, and post the photos/videos you take.

Ages 10-12

- Do school research together.
- Help your children pursue their out-of-school interests online.
- Find homework help or tutorial videos online to assist with schoolwork.
- Show them (or ask them to show you!) how to down-load and read ebooks and music.

@cyber.civics

Finally, if you have time please review this presentation.

Thanks again! Please keep in touch.
