

## COLLEGE LIST BUILDING RESOURCES

### **Fiske Guide to Colleges**

Helpful, honest, and straightforward...updated and expanded every year, the most authoritative source of information for college-bound students and their parents.

### **College Match: Blue Print for Choosing the Best School for You, Steven Antonoff (www.schoolbuff.com)**

Both the book and website offer useful tools and self-surveys to help students find a fit and lists types of schools, re: engineering, for outdoorsy kids, friendliest schools, etc.

### **Colleges That Change Lives, Loren Pope (www.ctcl.org)**

A wealth of vital information, including admissions standards, distinguishing facts about the curriculum, extracurricular activities, and what faculty say about their jobs.

### **Creative Colleges, Elaina Loveland (www.creativecollegesandcareers.com)**

Features the best Arts colleges and programs in the US, plus advice on finding schools to best fit an individual, develop talents, and help make a career out of a passion.

### **Cool Colleges, Donald Asher**

Exciting schools in the U.S. and Canada, with a new chapter on eco schools, tuition-free schools, and the low-down on so-called top-ranked schools.

### **K&W Guide to Colleges Programs & Services for Students With LD and ADHD**

An indispensable resource that will help students with ADHD, Autism Spectrum Disorder or learning differences find and apply to their personal best-fit college.
